When the convention has an of the publication of the "Mediciner nounced its platform, then the poor, deluy A fundamental criterion has already been of there political leaders. The people ongratulate themselves with saying, Oh ! yes, that's all right; we did that.

How much have they to do with it? Just look at the material of one of these philforms-that, for instance, adopted at Concinnati Of what kind of timber s it composed? Can you find in it any of the ceder of Mt. Vernon? the pine of Monticello? or even the hickory of Tennessee? or the ash of Kentucky? or the M. Clarg, backed up by some of the best God. The miracles which he wrought mover support a man for the Presidency, good white oak of Pennsylvania or New Jersey! Not a stick of it. (Applause and hughter] But you find the dogwood [laughter], blackjack [renewed laughter), slippery elm (tempestous applause), pawpaw, with a sprig of shillslak thrown in. [Screams of laughter.] - In going before the country in that campaign, it was necessary for the democracy to have something that might secure that distant State upon the pacific shore, of which I was then a resident-Cailfornia. How did they manage that? Old Virherself upon the decirines of 1798. If the party should put into their platform a resolution for the Pacific railroad, Vir. resolution for the Pacific railroad, Vir- by the Legislature of the State of Tennesse, gints would veto Mr. Buchanan. Of accepting the same source it didn't go in; but California
